Public Comment at Executive Advisory Committee meetings

Each committee meeting will include two ten-minute public comment periods: one at the beginning, and one at the end of the meeting. Members of the public who wish to address the committee during these comment periods are asked to abide by the following ground rules:

- Presentations are limited to three minutes per speaker.
- Only three speakers are allowed to address the committee on the same topic or viewpoint.
- Speakers are asked to limit their comments to the topics that are within the committee's purview. Those topics are outlined in this work plan.
- Comment forms for the public are also available at all meetings. Forms filled out at EAC meetings will be copied and distributed to EAC members
